

## Global Head of Compliance

If you are currently navigating the labyrinth of a large banking organization and yearning for a more dynamic opportunity, this is your moment. We're seeking a dynamic Global Head of Compliance to join our vibrant team in Copenhagen.

In a world where banking compliance is sometimes seen as black and white, we're looking for someone who can add a splash of color. Someone who is not just a leader, but a mentor, a collaborator, and a pioneer. If you're ready to take on this challenge and help us redefine the banking landscape, we can't wait to meet you!

In this role, you will be located in our flagship office in Copenhagen and sit with the banking function which currently consists of 40+ skilled team members.

In this role, you will:

- Guide a team of compliance professionals, instilling a high-performance mindset and fostering professional growth.
- Steer the helm of compliance across all our operations, conducting the annual risk analysis and overseeing compliance activities.
- Serve as the linchpin for compliance matters related to credit, consumer protection, investment, marketing, product development, and governance.
- Work hand-in-hand with the Chief Risk Officer, ensuring seamless interaction between the business and second-line functions.
- Be the first point of contact for regulatory agencies, auditors, and other external stakeholders.
- Lead the implementation and management of avant-garde compliance technology solutions.
- Stay at the forefront of emerging trends in compliance management, driving progressive enhancements to our compliance program.
- Champion and nurture a culture of integrity, transparency, and ethical behavior throughout the organization.

What we need you to have:

- Exceptional leadership and people management skills, with a proven track record in motivating, mentoring, inspiring, and gaining the trust of team members
- Strong communication and interpersonal skills, coupled with the ability to collaborate effectively with stakeholders, management, and colleagues across multiple locations
- Extensive experience in banking, particularly in compliance regulation, backed by a strong educational background in a relevant field
- A proactive individual with a growth mindset, ready to navigate the dynamic landscape of compliance within banking
- Solid regulatory understanding of banking requirements, demonstrating proven leadership within Compliance

Why you should join us:

At Lunar, we're reimagining the banking experience in everything we do, including how we ensure compliance with all of our regulatory obligations. As our Global Head of Compliance, you'll play a pivotal role in our ambition to create the best everyday bank in the Nordics and contribute to a successful compliance function that excels in an ever-evolving environment. With us, you'll get to work in a fast-paced, innovative environment where decisions are made within weeks, not months. This gives you a chance to quickly see your impact on the products we launch and on the decisions we make from day to day. Additionally, we are convinced that you will enjoy the companionship of a team that's as forward-thinking as you are.
